## MINUTES

### 1. Matters arising

Sponge balls and scoop bats have been replaced for lower and upper KS3 yards.

### 2. World Cup week review

All students had the opportunity to talk about our World Cup theme week. Everyone in the meeting, without exception agreed that the whole week had been fantastic and very enjoyable. The best bits were being able to go around classrooms to find out about different countries, looking at what work other students had been doing and, by far the most popular, was tasting foods from other countries! The worst bit was Mr Jukes beating everyone in the penalty shoot-out competition!

### 3. School dinner discussion

Attached are 2 menus we looked at.

The 1★ menu has 2 hot choices each day.  
The 2★ menu has 3 hot choices each day.  
We looked at some of the choices on each.

The council decided that they would like to try the 2★ menu.  
Watch this space!

### 3. Heads of House/ House captains

The council talked about having Heads of Houses and Deputy Heads of Houses. We had a look at the badges and discussed what their jobs would be. A unanimous decision was made to have Heads of Houses in FE and deputy Heads of House; one in KS3 (Y9) and one in KS4 (Y11). The council also unanimously decided that they thought the staff voting for Heads and Deputies of House would be better than students voting for them!

This issue will be taken to the school leadership team for further discussion.

- Please allow your councillors an opportunity to talk about their meeting to your groups and help them prepare for the next meeting.
- We spend a lot of time finding class councillors at the beginning of meetings. Please put dates in your diaries/ on calendars so that we don't waste time each meeting.
