## ***'Learning and Achieving together'***

The marathon run has been somewhat overshadowed and rightly, so by the incredibly sad and sudden news of the passing away of Mrs Val Stevenson.

Val, was a teacher here at Sir Tom Finney Community High School and at Moorfield School previously. She had only recently retired yet was still coming in on a voluntary basis to support the Duke of Edinburgh Award Scheme, which she had been instrumental in developing for our post 16 Students.

She worked tirelessly to teach and support our young people in a variety of subjects and organised residential trips, particularly for post 16 students to activity centres in the lakes every year.

She touched many students and families lives and will be sorely missed by many.

Our thoughts are with her family and friends at this sad time.

**Mr Jukes' Marathon run was completed successfully in a time of :**

**4 hours 03 minutes 35 seconds**

**Many thanks to all those sending in or pledging sponsor money—so far the total comes to almost £600**

**The person guessing the closest to the actual finish time and winner of the £25 prize was Kieran Brady and his Mum !**

## *'BIGGER, BRIGHTER, BETTER'*

Relocation news:

As with all building changes the demolition, new build and design brings with it issues that may not have been forecast.

At the moment our problem appears to be 'drains'. The new hydrotherapy pool requires a certain type of drain that

needs to feed into the existing system and the two are not compatible. Solutions are being worked on!!!!

There are further meetings taking place to discuss the IT requirements of the new building, telephone systems and signage so it is as up to date as possible.

Once the internal demolition phase has been completed we are hoping to arrange some visits up to the new site for students and staff and parents on a rolling programme. More details about this will follow.

Should you have any questions about the relocation, the plans or the move itself then please contact the headteacher via the school office (number is at the top of the previous page).

**As a school we are continually looking to supplement our budgets in order to develop the opportunities both in and out of school for our young people.**

**Can you, or do you know someone or a company or organisation who may be willing to support our school ?**

**We are looking for sponsorship; donations and grants we can bid for to continue to provide the many varied activities and opportunities for all our students.**

**Please come and visit us and see who we are and what we do to ensure the very best outcomes for our students.**
