Welcome to our Newsletter, full of important information.
TAKE A LOOK

Hello to all our readers. We are almost at an end to the academic year 2017-18 and it has been an incredibly busy year. We started with all the new admissions in September. OFSTED came at the end of October and we had a full school inspection with outcomes that helped to inform our action planning and future improvement planning. Planning for September 2018 began in March 2018. Accreditation and examinations have been completed, moderated and sent off for marking. Work experience took place and we have started evaluating data on progress and written reports have gone out. We have continued with a variety of events for students and parents including Performances, Talent night, the Prom, Summer Fair and with Sports Day is still to come.

Great support was given to Rock FM CASH 4 KIDS Superhero day—we even got a couple of 'shout outs' on the radio and we took part in activities relating to the Royal Wedding and The World Cup.

We had recognition at the Time to Shine Awards for the 'after School Sports Club.

We have another group of staff and friends tackling the Yorkshire Tough Mudder Event—mostly just for Fun!

We say goodbye to our Y11 leavers and Y14 leavers as they move onto pastures new.

And we say fond farewell and many thanks from students past and present and colleagues new and old to Mrs Woods and Mrs Unsworth as they take retirement after many years of committed and dedicated service.

Goodbye & good luck

Reminder of dates:

- Thursday 19th July—Sports Day—non uniform/sports clothes
- Friday 20th July—School breaks for Summer Holidays
- School re-opens for staff training days Monday 3rd Sept and Tuesday 4th Sept and for students on Wednesday 5th Sept

HAVE A FABULOUS, PEACEFUL SUMMER HOLIDAY AND WE WILL SEE YOU ALL IN SEPTEMBER
