TAKE A LOOK

Hi, we are into the final half term of school and will have been in our new building for a full academic year. This time last year we were packing boxes and preparing to move, whereas now we are fully established within school and are looking to the next phase of developments which will consider the external environment around school.

This half term is renowned for being one of the busiest times in school. Planning for September is high on the agenda with new admissions being finalised and transition programmes put in place. Accreditation is being moderated and sent off for marking and exams are being prepared for and taking place. Work experience is happening for Y11's, some needing support and some independently. End of term events such as Sports Day, Summer Fair and Leavers Prom are being planned for. Alongside the day to day activity of curriculum, timetables and involvement in various local authority and national themes such as Healthy Eating Week and Learning Disability Week.

Some important Dates:

- Week beginning June 13th—Healthy Eating Week
- Week beginning June 20th Learning Disability Week
- Thursday 23rd June—Leavers Prom at PNE
- Friday 24th Y11 leaving date
- Week beginning June 27th FE transition weeks until end of term (for all those moving into FE and new admissions into FE—POST 16)
- 16th/23rd/30th June and 7th July—KS3 transition days for those being admitted to Y7 and elsewhere into KS3.
- Friday 15th July—Summer Fair
- Wed 20th July—Sports Day
- Friday 22nd July—School breaks for Summer Holidays

For all of the above further information has been sent out or will be closer to the dates in question.

**School re-opens for the new academic year for pupils on
Monday September 5th**

(staff will start Thursday 1st/2nd September)
