June 2015

*'learning and
achieving together'*

Newsletter (incorporating Relocation News):

(This information is for all stakeholders: parents, carers, students, staff, governors and local community)

It's the final countdown.....

Not only is it the final half term of this academic year, but it is the final few weeks for Sir Tom Finney Community High to be based at Moor Park. The whole school will be moving—lock, stock and barrel (plus chairs, tables, cupboards, desks, equipment, resources in fact you name it and I think we are moving it) to our new site at Ribbleton Hall Drive, Ribbleton PR2 6EE.

We have to have everything packed and ready to go by Monday 27th July.

However, we still have to make sure that all the usual things have been completed for example accreditation and schemes of work in lessons, target tracking , Individual plan evaluations, reports and so on. There will be special end of year events to be put in place; a Prom to organise for those leaving us in Y11 and Y14 and plans for September to be confirmed. All in all its going to be a very busy end to this school year FOR EVERYONE !

REMINDER

REMINDER

REMINDER

ALL Year 11's and ALL Year 14 students will finish school, as usual, on the final Friday of June—Friday 26th June.

The rest of the students will finish for the summer holidays on **Friday 17th July**.

Staff will then complete two additional closure days **Monday 20th and**

Tuesday 21st July and two moved in-service days on **Wednesday 22nd July and**

Thursday 23rd July all fully focussed on the packing required.

School will re-open for staff on Friday 4th September

School will re-open for students on Wednesday 9th September

And just to add to it all we are being very theatrical this week with the English Touring Opera holding it's week long residency with us and working with our performance group to put together a performance 'extraordinaire' - *they will have to go some way to top last year !*

This week will see the first small group of students visiting the site. Some of our student council representatives will be visiting to have a look at the nearly finished building. They will report back to their friends and hopefully other small groups can visit on Friday afternoons with staff for the next few weeks.

The current works are pushing on—painting, carpets, furniture, flooring is complete in many areas. The new hydrotherapy pool and sixth form block are looking brilliant. The outside landscaping is being developed the playground spaces are set and the road for minibuses is complete We have a new purpose built garage to store our minibuses. The sports hall floor is getting a ‘make over’ and whilst there is still a lot to get on with everyone is working flat out to meet deadlines.

Pictures of the student visits (and loads of other great stuff) will continue to be put on our facebook page www.facebook.com/sirtomfinneycommunityhigh
