OFFICIALLY OPENED !!!

'A combination of the formal, informal and off the cuff saw the school have its official opening celebrations.

With help from Andrew 'Freddie' Flintoff, Jermaine Beckford from PNE, Brian Finney (Sir Tom's Son) and County Councillor Matthew Tomilinson (CC for Children and Young people) the school had an assembly, red ribbon cutting and plaque unveiling ceremony with all the students, staff and invited VIP guests attending.

It was a very special morning and allowed the school to show off its brand new facilities and premises to all the guests and the press. The Lancashire Evening Post ran a full page spread about the opening. The hope is to build on the school's outstanding reputation and become fully integrated into the area and its new community.

We are all now fairly settled after the first half term and looking forward to the future potential and opportunities our new buildings, grounds and facilities will bring for everyone.

FRIENDS ASSOCIATION:
MANY THANKS TO ALL WHO
TOOK PART IN THE SPONSORED
