Sept 2016

*'Learning and Achieving
together'*

Welcome Back to all our students and their families and a very special welcome to all those joining us for the first time.

It is the start of another school year and students have come back, settling quickly into their new classes and routines and are onto their new timetables.

It has been very interesting to hear what they have been up to over the holiday period and I am looking forward to seeing them progress and develop over the course of the year.

The educational landscape is constantly changing and this year will be no exception. OFSTED will have a new chief inspector, SEN and high needs funding consultations remain high on the agenda and the government white paper gives us an idea of the future direction education will take.

We will continue to work and develop the school, its provision and resources within the context of change.

A few reminders:

This half term finishes on Thursday 27th Oct. and school re-opens Monday 7th Nov.

Dinner money is £2.20 per day or £11.00 per week, paid in advance or if you prefer you can pay for a full half term/term in advance—further details are available from the main office.

Don't forget to check out our Facebook pages regularly and keep up with everything .

CAN WE PLEASE REMIND ALL STUDENTS THAT SPORTS DRINKS AND FIZZY DRINKS SHOULD NOT BE CONSUMED IN SCHOOL

In line with Healthy Schools status, we recommend that packed lunches should not contain chocolate and snacks should be of a healthy variety.

We offer, for a small charge, fresh fruit every day and all students have access to drinking water throughout the day.

School has a very clear policy regarding mobile phones and other electronic devices in school.

Mobile phones are not allowed during the school day and should be put away in a locker or handed in to a teacher until the end of the day. Better still do not bring them!!!!

This is a safeguarding issue and we appreciate parental support to maintain and respect our rules in school.

Send in your used and unwanted batteries we are recycling them for another year

We have two vacant posts for parent governors to join our Governing Body. If you can commit to a couple of meetings every term at 9.30am usually a Tuesday and want to help shape the continued development of the school then get in touch for further information and an informal chat.
